Pugh and Robert Shield, of Columbus; Edward Foster, of Bryan, O.; Albert T. Slade and Jabez W. Fitch. of Cleveland, were admitted to practice in the United States Courts. Judge McLean charged the Grand Jury. The docket of criminal cases was called, and a number of them continued.

THE ENFORCEMENT OF THE DOG ORDINANCE. We are informed by the City Marshal that over five hundred dogs have been destroyed during Wm. A. Batchelor's Hair Dye. the present Summer, and that the Ordinance with respect to dogs will continue to be vigorously enforced. It is advisable for dog fanciers and those interested in any way in dogs to read the Ordinance carefully. Its provisions are enforced during the months of June, July, August and September, --commencing on the first of June and ending on the first of October. Men are to be employed by the Mayor to catch and to the be destinguished from using a selection of the uses, and the persons so around to injuries the least, however long it may be centred used, and the ellicities of Ball Dyes remedied; the Hair is regurated for life by this splendid Dye.

Made wild be would be really to the splendid Dye. Made, sold or applied (in 9 private rooms) at the Wig Pacperiod named above, unless th guardians have had them registered and paid the tax of one to ten dollars as the case may be .an Broadway, New York In addition to this, it is necessary to keep then securely muzzled with chain and leather muzzle, and cause a bright metalic collar, with the owner's name inscribed thereon, to be placed about their necks. Any person with a dog in his possession is presumed obe its owner, and is subject to the same fines and penalties for any violation of the Ordinance. No person or persons are allowed to interfere with the Marshal or the Posse appointed by him in the discharge of its STELLA.

Dogs at this season of the year are on intolerable nuisance when permitted to run at large.-Indeed they are dangerous; and the prompt and strict enforcement of the dog law should be regarded as a public necessity, and the Marshal is deserving of credit for the energy he

WATER-LOGGED.—The scow George Neville, Baker, Master, left Ashtabula for Buffalo, on Tuesday night the 6th inst, with a cargo of lumber. She was so heavily loaded that the seas swept over her deck, she filled with water, and careened over, completely disabled. She was discovered the next morning about five miles from the Conneaut Piers. The schooner Lewis Cass was sent to her assistance, which towed her into port; her deck load was discharged and the water pumped from her hold, when she ze-shipped her load, and left for Buffalo, on Friday evening -Conneaut Reporter.

SHIPMENT OF STOCK .- Forty seven cars loaded with fat cattle were forwarded during Monhundred and fifty head were Kentucky cattle, having arrived here on Saturday via the Little Minui R. R. The remainder 255 head were Ohio cattle, owned by Mesers. Florence, Benick, Hegler, Slagle, Dickey and Jones.—Columbus

HARVEST -From what we can learn the crop will be good only so far as bearded wheat has been sown, the smooth wheat have been almost entirely destroyed by the weevil. Mediterra-nean has not only escaped unburt, but will yield very abundantly.—Carroll Press.

Junes Sealding.—The name of Hon. R. P. Spalding has been widely and favorably spoken of, as a candidate for Judge of the Supreme Court. He is well known as a sound and able Ledies is called to the above jurist, and a sound and inflexible opponent of machino, which possesses the machine, which possesses the following decided and unmistakable advantages:

1st. Cotton is used as it is purchased—on speels—without re-winding; saving time, trouble and waste.

2d. The trouble and perplexity of filling a shut shuttle is employed, the under thread being used from a large speed.

3d. It is very simple yet strong in construction, additional friends, who appreciate the motives easily learned and kept in order, and does not reshible the motives which the strong in construction of Judge Spalding will gain him many additional friends, who appreciate the motives which the strong in the stro

New York, July 14.

The steamship Star of the West arrived here at 10 o'check this morning, with two weeks later news from California. She beings \$1,400 000 in treasure and 250 passengers. She left Aspinwall on the evening of the 5th.

The California papers are rather barren of news. The Frazer River gold excitement was increasing in consequence of the glowing accounts furnished by the miners, who have returned from that rection. San Francisco was crowded with people on their

San Francisco was crowded with people on their way to the Frazer mines, and throughout the State parties are making arrangements for the same purpose. The effect of the exettlement was beginning to be felt in the State. Laborers were scarce and wages had gone up 20 to 30 per cent. It is estimated that 8000 people had already left for the diggings. Six steamers had been put upon the route, besides six sail vessels.

Several American newspapers are projected in the Stitish Possessions, and one, the North American, had already been announced st. Victoria.

The steamer Cortes had taken 1500 passengers for that city, and every hirth in stiling vessels had been taken in advance.

The Hodson Bay Company have stationed armed vessels on Frazer Siter to prevent emigrants from carrying goods futo the interior to sell.

An American vessel with merchandige it was reported, had entered the river 's spite of the block, ale. The British Commander not daring to fire upon ber.
